Registering to Coach for SOAC

For the safety of our children, and the comfort of our parents, SOAC has joined with Kids Safe Plus for coaching registration. This Risk Management program is used statewide for all of NY State Youth Soccer, and is an effective national program. After you have signed up to coach for Shrub Oak Sports, please follow the instructions below.

The program must be complete by March 1st in order to volunteer in your spring sport. Current 2016-2017 soccer coaches need to create an account, but do not need to register for kids safe. Your risk management was completed with soccer. If you already performed this as a lacrosse, football or cheerleading coach, you do NOT need to do it, but WILL need to re-apply after January 1st for the other sports.

Create an Account

The account will only need to be created once while you are a volunteer with SOAC.

1. Go to www.shruboakac.org
2. Click on the 'Read More' link next to the Kids Safe Plus announcement, or the 'Kids Safe Plus Registration' on the links page of the web site.
3. Click on the orange 'Click Here' button.
4. Follow the instructions to create the account. All fields with a red asterisk are required.

You will get notification that the account is created.

Register with Kids Safe Plus

This will need to be done once every calendar year. If you coach more than one sport, it is only needed once. Soccer coaches do NOT use this process, but use the process through East Hudson Youth Soccer.

1. Go to www.shruboakac.org
2. Click on the 'Read More' link next to the Kids Safe Plus announcement, or the 'Kids Safe Plus Registration' on the links page of the web site.
3. Click on the 'Register Online' button.
4. Enter your user-id and password.
5. Click 'complete background check' next to your name.
6. Fill out any missing information as required, and press 'Save'
7. Click 'Register' where it states the cost is 0. SOAC has spread the costs throughout the program.
8. Completely fill out the information requested.
9. When complete, hit the 'Check Out' button.
10. You will receive confirmation emails from the Kids Safe program that the process has begun, issues, or pass information.

If you have ANY questions or concerns, information can be provided. Email Bill Casey at klondyke37@aol.com to set up a time to talk through questions or to have questions answered.
